

SUMMIT ACADEMY

ACADEMIC EXCELLENCE. • CHRIST-CENTERED. • COMMUNITY. • PURPOSE.

Rigorous Academics. Christ-Centered Community. Purposeful Preparation

Seed to Summit Christian Homeschool Academy's Summit Academy is a structured academic program for students in 7th–12th grade designed to equip young adults academically, spiritually, and personally for whatever path God calls them to pursue.

Our program combines core academics, meaningful electives, leadership opportunities, and biblical discipleship within a strong homeschool community that partners intentionally with families.

Important Key Parts of the Summit Academy Program

- ✓ Transcript-worthy academic classes designed with college and career readiness in mind
- ✓ Christ-centered instruction taught through a biblical worldview across every subject area.
- ✓ Strong academic expectations that encourage critical thinking, responsibility, and excellence
- ✓ Structured drop-off model that allows students to develop independence and maturity
- ✓ Leadership development through Student Council, volunteer opportunities, and student life programs
- ✓ Intentional community through teen nights, field trips, outings and more where students build lasting friendships and families build meaningful connections
- ✓ Balanced schedule with generous breaks that supports homeschool family rhythms while maintaining academic rigor
- ✓ Small-group learning environment that allows students to be known, challenged, and encouraged
- ✓ Teachers who are passionate about both discipleship and academic excellence
- ✓ Core classes and academic pathways aligned with Texas graduation expectations
- ✓ Electives and enrichment opportunities that help students explore interests, gifts, and future goals
- ✓ A long-term vision focused on raising confident, capable, Christ-rooted young adults prepared for college, career, leadership, and life.
- ✓ Optional internship senior year in several different career fields.
